MRS. L. S. ADAMS.  
Of Galveston, Texas.

"Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered systems, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? All druggists have \$1.00 bottles. For any stomach, liver or bowel disorder Thedford's Black-Draught should be used.

Mr. and Mrs. S. C. Gresham had the sad misfortune to have to bury their first born child last Wednesday and for a while the mother's life was despaired of but she is slowly improving now.

That little shooting scrape, last Saturday night over in the "business" part of town, so far as heard from, resulted in no other damage than perforating the windows and walls of a well patronized joint, and perhaps pretty nearly scaring the wits out of some of the patrons of the place.

The schools opened here Monday morning with Prof. O. B. Mella principal and Miss Edna Hartman second grade. Miss Dodge who will have charge of the primary department, owing to some misunderstanding, did not arrive on Monday, and the little folks had to return home. Miss Dodge came Tuesday. The teachers are somewhat handicapped for the want of room. Prof. Mella and Miss Hartman are using the two rooms in the old school house. Miss Dodge has her room of little folks in Trager's hall.

Mrs. Annie Kizer died very suddenly at her home southwest of Bucklin in Clark county Tuesday, September 23, 1902. We are informed that Mrs. Kizer appeared to be in her usual health and was sitting in her chair sewing when she died. She was about 70 years of age and had lived here ever since until death called her home.
